

Country - wise Distribution

The Pioneering Technical Publication For Woodworking Industry In All Six GCC Countries:

Aparna Publications (India) - publishers of the largest circulating wood technology magazine **Modern Woodwork** India have launched a GULF EDITION which reaches woodworking furniture and allied enterprises in GCC Countries every quarter since January 2007. This publication has been the first of it's kind for this region.

In line with the successful India edition, **Modern Woodwork Gulf Edition** compiles and publishes special features which readers would find to be appropriate technical guidance. We bring exhibition news, technical advances in fields of machinery & materials, views and articles about woodworking, to the desks of professionals once every three months.

We also address the special requirements for production in GCC countries.

Modern Woodwork Gulf Edition : Pattern of Distribution and Extended Reach
